Re: Amended Notice of Intention to Commence Small Mining Activities, Manville
Products Group Project, S/027/009, Millard County, Utah

Dear Mr. Cox:

On September 15, 1994, this Division received an amended Notice of Intention from World Minerals, for the Manville Products Group project. The proposed project is located on BLM managed land in the NW 1/4 of Section 5, T24S, R9W, SLBM, Millard County, Utah. Your agency's designated mineral lease number is UTU-072851. The amended notice satisfies the notice requirements of Rule R647-3 of the Utah Mined Land Reclamation Act of 1975, Title 40-8, et seq., Utah Code Annotated. Please advise the operator accordingly in your completeness response letter.

Thank you for your cooperation. If you receive further information or amendments for this operation, please notify us so we will be able to update our files. Please reference our designated file number S/027/009 when forwarding additional information on this project to us.

Sincerely,

Travis W. Jones
Reclamation Hydrologist
